Healthcare Management Solutions

Wednesday, July 16, 2003
11:30 am—1:00 pm

Today, the coding and billing of patient visits is becoming increasingly more complex, while reimbursements are decreasing. This makes proper documentation of physician consults and referrals even more important.

During this program you will learn:

- The difference between a consult and a referral
- Medical record documentation requirements for each
- How to "audit-proof" your medical documentation
- How to improve your diagnosis coding for better reimbursement
- Importance of authorization numbers in billing
- How and when to appeal a denial of a consult or referral

Cost: $50 per attendee (Matrix customers pay only $40 per person)
Location: 356th Fighter Group, 4919 Mt. Pleasant Road, North Canton, OH
Cost of seminar includes materials and lunch
